

VISION

We, endeavor to be a world class organization in renewable energy sector and play a pivotal role in contributing to the Energy growth requirements with sustainable and ecofriendly solutions and be a Company of Choice for all stakeholders.

OUR VALUES

Integrity, Ownership, Innovation, Agility, Performance driven.

IMS (QUALITY, HEALTH, SAFETY & ENVIRONMENTAL) POLICY

The various stakeholders of ENRICH have different context of interest, needs and expectations. As a responsible Organization, ENRICH seeks to fulfill its obligations towards its various stakeholders through continual improvement and by defining Quality, Health, Safety & Environmental objectives.

ENRICH commits to provide quality products and services to the customer and shall strive to achieve customer satisfaction with due fulfillment of statutory and regulatory requirements.

ENRICH is committed to protection of environment, prevention of pollution and fulfill its compliance obligations in its endeavor for sustainable development.

ENRICH is committed to fulfillment of applicable legal and other requirements related to O&HS hazards and to prevention of injury and ill health to all working under the control of the Organization.

ENRICH endeavors to attain a high level of adherence to the IMS requirements through development of skilled & motivated manpower and participation of stakeholders.
