

Your Solar Partner of Choice

About Enrich

Enrich Energy is an experienced and equipped Solar Partner of Choice, with credible track record and proven expertise in Turnkey Solar Parks, End-to-End EPC Solutions, Battery Energy Storage Systems, Comprehensive Operation & Maintenance and other Value Added Services.

Customer delight is our motto and Enrich has been delivering it since inception in 2010. Enrich as a pioneer, developed India's First Private Solar Park in early 2012, through its 50 MW Mandrup Solar park in Maharashtra. Over the past 14 years, Enrich has expanded its footprint across 9 states in India and a customer base of 100+

Enrich group has implemented Integrated Management System (IMS) which includes ISO 9001, ISO 14001 & ISO 45001 certified by DNV.

SOLUTIONS

Solar Park

- Pioneered India's first Solar Park
- One-stop integrated solution for C&I Customers
